### HOLLAND'S ACQUITTAL.

Hon. Jas. B. Garnett Tells About the Noted Case.

Hon. Jas. B. Garnett was in the city Saturday, returning from the trial of Sheriff Walter Holland, of Murray, which was held at Benton. Mr. Garnett and Hon. Jno. K. Hendrick were attorneys for the defense and made great speeches. Mr. Garnett modestly admitted that they both made the best speeches they could. It was a hard fought case covering a period of three years. It was twice tried and the change of venue to another county made it very hard on Holland. He was first indicted for manslaughter, but after the case was taken to Marshall county, the old indictment was dismissed and a new one for murder returned, the evidence going to show that it had been prepared in advance.

There were 135 witnesses and the attendance, traveling expenses and hotel bills of Holland's witnesses in the trial, with other expenses of the case, have left him wrecked in fortune, but vindicated by the law. The first trial went against him, the jury bringing in a verdict of five years. Four brothers of Hardy Keys, the man killed, were present and aided the prosecution. Two of them were brought from Texas, Mr. Garnett says, at the commonwealth's expense, summoned as witnesses. The news of Holland's acquittal was received with great pleasure by his friends in this city.

She was 60 years of age and a member of the Christian church at Rich for many years. She is survived by her husband and four children—two sons and two daughters. Mrs. Jones was a woman of the noblest Christian character and universally esteemed for her many good deeds. In her death the whole community has sustained a great loss.

The funeral services were held at the family residence Sunday morning by Rev. H. D. Smith, of this city, and the burial was at Hopewell cemetery in the afternoon. A large concourse of sorrowing friends attended and there were many beautiful floral offerings.
